ACADEMY | THE NEXT GENERATION OF LEADERS IN ST. JAMES PARISH

## What is the NuLevel Academy?

The NuLevel Academy is a leadership development and mentorship program that emphasizes the importance of higher education, community involvement and workplace readiness to build a foundation for a strong future. **This is an exclusive program for high school age residents of St. James Parish** who have a desire to expand their career pathways and become leaders within their community. The program will empower students by providing them with key opportunities and skill sets needed for successful careers.

## Why you should become a NuLevel Mentor:

- Your industry experience is a personification of the program values
- Participate in the mentee classroom trainings
- Share your own testimonials to help substantiate the trainings
- Accompany program facilitators and mentees during exploratory events and service-learning opportunities
- Exemplify leadership within your local community
